

REPLAY _ programma contenitori pensili / wall-cupboards' program

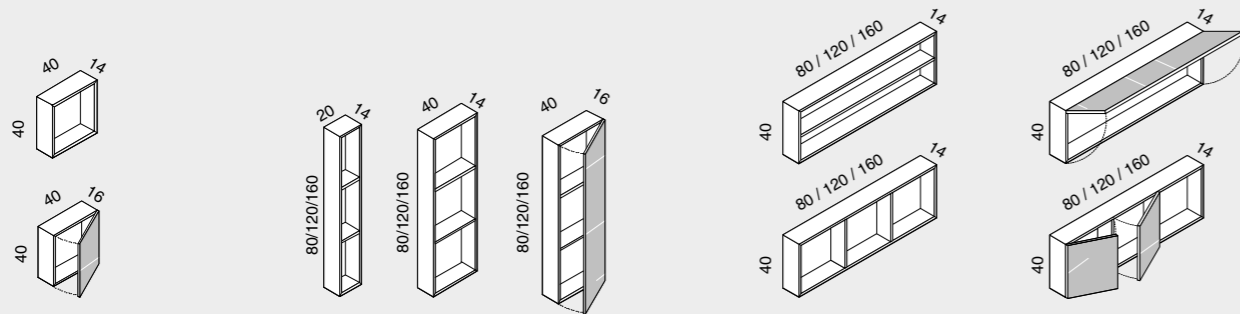

REPLAY è un programma di pensili con anta e a giorno con modularità 40 cm e profondità 16 cm. La facile aggregabilità e l'ampia possibilità di combinazioni consente di creare composizioni articolate e personalizzate. Disponibile in finitura Touch e Laccata, anche a campione.

REPLAY is a program of wall cupboards with doors and open racks consisting of modules 40 cm wide and 16 cm deep. Thanks to their flexibility, it is possible to combine several modules creating articulate and customized compositions. Replay is available in Touch and lacquered wood (also in non standard colors).
