

OX è una rubinetteria in acciaio inox AISI 316L. Il design nitido come un segno grafico è caratterizzato dalla manopola/miscelatore che contraddistingue tutte le composizioni e da una serie di bocche di erogazione da piano, da parete e da terra che consentono di svolgere tutte le funzioni dell'ambiente bagno.

OX is our collection of taps in stainless AISI 316L. The pure design, resembling to a graphic sign, is characterized by one mixer/knob for the entire line and by several countertop, wall mounted and floorstanding spouts suitable for all bathroom areas.
